

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to you today as a current satellite TV subscriber who is extremely upset and oppose the pending merger of EchoStar and DIRECTV. The combination of these two satellite providers will essentially exclude all of the important family viewing of free religious programming we have enjoyed for many years. I am an avid viewer of many of the countries top evangelical speakers of today. Please do not promote this merger. It will only allow more obscene and gratuitous sexual shows that parents will have to monitor and exclude from their childrens view. What about Daystar, Sky Angel Network....will they be nonexistent after such a merger?

Sincerely,

Janis Coop
